Chevrolet's Making Dreams Possible Club Coaching Grants

Coaches play a critical role in the experience of young athletes and this national funding initiative will strengthen their impact and contribute to the success of Sport Clubs throughout the country.

One hundred grants of \$2,000 each will be awarded each year to allow sport clubs/local sport associations to host coach training and education activities in support of community sport programs.

Eligibility:

This grant is open to sport-specific clubs, local sport associations, and/or leagues, operating at the community level and directing the majority of their programs towards children and youth (e.g. minor hockey associations, alpine ski clubs, soccer clubs, etc.).

For the purposes of this application, the term "Club" is used to represent any local sport association operating at the community level.

Provincial/Territorial sport organizations and national sport organizations are **NOT** eligible to apply.

Clubs will be able to develop and implement a season plan to train their coaches and improve the skills of their athletes.

This plan may include:

- National Coaching Certification Program workshops
- Technical/Tactical Clinics for coaches and athletes
- Coaching Conferences/Seminars
- Web-based resources

This plan may **NOT** include:

- Coaching salaries
- Training camps/competitions
- Equipment

Clubs must:

- Be affiliated with the recognized provincial/territorial sport organization and/or national sport organization of an Olympic or Paralympic Sport.
- Be incorporated as a Not-for-Profit Club.
- Direct the majority of their programs towards children and youth under 18 years of age.

Note: Clubs that have been *successfully* granted the Chevrolet Club Coaching Grant must wait one year prior to applying for an additional grant.

Note: All club applicants will be mailed a letter of final decision in November 2010.
