

2019 Women in Coaching Canada Games Apprenticeship Program Guidelines

INTRODUCTION

The Canada Games Council, the Coaching Association of Canada, and the Provincial/Territorial Coaching Representatives strongly believe that coaching apprenticeship programs are an essential part of the development of a coach. Furthermore, apprenticeship programs can be used as a means to attract and support underrepresented populations in coaching, such as female and Aboriginal coaches. The Canada Games have featured apprenticeship coach programs in every Games since the 2005 Canada Summer Games in Regina, Saskatchewan. The program provides up to two coaches per Games from each Province and Territory the opportunity to develop their coaching skills through the Canada Games.

Women in Coaching Program (WiC):

The WiC program is a partnership between the Provincial/Territorial Coaching Representatives (PTCRs), the Canada Games Council (CGC), and the Coaching Association of Canada (CAC). This program provides the opportunity for each Province and Territory to send 2 female coaches to the Canada Games in apprenticeship roles.

OBJECTIVES

WiC

- Build coaching capacity for women in sport;
- Provide female apprentice coaches with domestic multi-sport exposure;
- Provide female apprentice coaches with enhanced professional development and learning opportunities to prepare them for higher level coaching and ensure an increase in their level of certification to a minimum of Competition – Development (or Level 3 certification). (Apprentice coaches complete certification within 2 years following the Games).
- Expose female apprentice coaches to elite women coaches' experiences;
- Ensure female apprentice coaches are prepared to play a meaningful role during the Canada Games experience.

DESIRED OUTCOMES

Desired, measurable outcomes are established in consultation with the PTCRs, the CGC, and the CAC.

- The goal of the program is to have at least 75% of the quota allocations for women apprentice coaches in this program filled for the Games;
- Two professional development workshops are conducted before the Games;
- 100% attendance at professional development workshops;
- 100% of all apprentice coaches attending the Games will have been NCCP-trained in the relevant context within one year following the Games;
- 75% of all apprentice coaches attending the Games will have been NCCP-certified in the relevant context within two years of attending the Games;
- As a long-term objective, 100% of all apprentice coaches will continue to actively coach athletes at the community, provincial, or national level applying the experience gained from the Games;
- 100% of apprentice coaches, mentor coaches, and Provincial/Territorial Sport Organizations (PTSOs) in this program will complete a feedback survey;
- 100% of apprentice coaches, mentor coaches, and PTSOs in this program will positively evaluate the program and provide constructive criticism for the future of this program.

ELIGIBILITY

Generally, eligibility criteria for the WiC are:

- Canadian citizen or landed immigrant status;
- Coaching experience;
- Completed some form of NCCP training, with preference given to Competition – Introduction Trained status;
- Never attended a Canada Games as a “coach” in the sport they are applying to;
- Never attended the Olympic or Paralympic Games, Pan or Parapan American Games, or Commonwealth Games as a “coach”;
- Not already selected to the coaching staff of a province/territory’s Canada Games coaching staff.

Any exceptions to the above eligibility requirements must be approved by the Provincial/Territorial Coaching Representative before a coach can be admitted into the WiC program.

NCCP REQUIREMENTS

The purpose of NCCP requirements is to ensure that apprentice coaches selection for the WiC program are genuine apprentice coaches who will, through participation in the program, gain valuable experience that will contribute to the coach becoming a Canada Games coach in the future.

- Based on the objectives and desired outcomes outlined above, the NCCP coaching certification requirements for the WiC program are:
 - Certified no higher than NCCP Level 2 or Competition – Introduction, OR;
 - NCCP Competition – Development In Training;
 - Coaches who are Level 3 certified or NCCP Competition – Development Trained or Certified are not eligible for the program as these coaches have already obtained the necessary certification to coach at the Canada Games.

Any exceptions to NCCP requirements must be approved by the Provincial/Territorial Coaching Representative before a coach can be admitted into the WiC program.

EVALUATION

At the completion of the 2019 Canada Games, the WiC program will be evaluated against the established desired outcomes. Upon evaluation, desired outcomes or elements may be changed to better reflect the state of the program.

Evaluation of the program will consist of actions taken against the desired outcomes and of surveying the apprentice coaches, the mentor coaches, and the PTCRs.

PROGRAM

The timelines below reflect national guideline deliverables, and directly relate to key program objectives. Provinces or Territories may set internal timelines for the program, understanding and respecting the timelines below:

2019 Winter Games – Red Deer, AB

2019 Public Interest Form Opens:	August 1, 2017
Public Interest Form Closes:	September 30, 2017
Full Application Due Date:	October 31, 2017
Coaches Selected (Latest possible date):	December 1, 2017
1 st PD Session – Coaches only	Feb – April 2018
2 nd PD Session + Conference	Nov 2018 Petro-Canada Sport Leadership sportif (Calgary, AB)
2019 Canada Games:	February 19 March 3, 2019 (Red Deer, AB)

Selection Guidelines:

Candidates should be selected based upon a reasonably standardized application process that ensures parity at a Provincial/Territorial level and at a sport level. A degree of flexibility will be required in order to adapt to the unique circumstances facing any PTSO and individual coach.

To ensure the program is as successful as possible the apprentice coach must be involved with the Provincial/Territorial program for a minimum of one year, but preferably upon appointment until completion of the games, and will need to be actively involved in all training camps, selection camps, and preparation competitions.

External expertise could be utilized in the selection/approval process to ensure equity and fairness. It would be highly recommended to use expertise in the identification of appropriate apprentice/mentor coach matches, possibly through involving local National Coaching Institute (NCI) Directors or other as appropriate.

A high degree of emphasis needs to be placed on the selection of the appropriate apprentice coach AND the appropriate environment for that apprentice coach's development. Every attempt must be made to ensure the best possible mentor is selected for the apprentice coach.

Selection Process:

1. Coach interest will be collected through a short intake form hosted by the Coaching Association of Canada (CAC).
2. The CAC will deliver a list of interested coaches to the appropriate PTCR.
3. PTCRs will then send out full applications to the interested coaches.
4. Once full applications have been returned, PTCRs will work with PTSOs to make final selection for the program.

Mentor Coach:

A mentor coach will need to be assigned to each apprentice coach. The mentor coach could be a member of the Games' coaching staff or a non-staff mentor (preferable) assigned from within the sport.

The mentor coach should, if possible, accompany the apprentice coach to the professional development workshops.

Professional Development:

Professional development (PD) sessions are crucial for the apprentice coaches and additional PD sessions with the mentors should be considered an important aspect of the program.

Two PD sessions will be scheduled for the WiC program in the years leading up to the Games.

Apprentice Coach Role:

Apprentice coaches attend the Canada Games as a means to provide them with a multisport experience and the opportunity to observe and learn from their mentor coaches (and other Level 3 or NCCP Competition – Development certified coaches). The apprentice coach should have a specific and meaningful role within the team. Apprentice coaches cannot fulfill the role of a coach, as outlined in the sports technical package (i.e. WiC apprentice coaches may not be counted as a team's second coach in order to fulfill a female coaching requirement in a technical package). See appendix A for two examples.

The apprentice coach will be provided with an accreditation at the Games. This accreditation will provide the coach the same access as the other coaches. Due to the technical regulations of certain sports, apprentice coaches may not have access to the competition area in all sports. Any sport-specific regulations regarding the WiC apprentice coach program will be noted in the sports technical package.

PROGRAM LEADERSHIP, ADMINISTRATION, and FINANCING:

In order to operate a program such as this effectively, there is a need to create a partnership that will ensure resources (financial and human) from a variety of sources to create an appropriate program.

The leadership of the 2019 WiC program will come from the PTCRs, with support from the CAC and the CGC.

This document will act as a Memorandum of Understanding (MOU) between the involved parties to ensure the various roles and responsibilities for successful program delivery are clearly articulated.

The following is an overview of the various partners' roles and responsibilities for this program:

Canada Games Council

- Approval of WiC program
- Approval of Apprenticeship Program Guidelines (shared with CAC)
- On-going evaluation of program objectives based on CAC evaluations of identified stakeholders. Reporting of evaluations to Federal & P/T Government partners
- Promotion of the program (external)
- Communication with key stakeholders (Chefs de Mission/CAC)
- Ensure accreditation with the host
- Ensure program requirements are built into sport selection numbers
- Work with National Sport Organizations (NSOs) to determine level of access provided to apprentice coaches.

Coaching Association of Canada

- Approval of Apprenticeship Program Guidelines (shared with CGC)
- Providing program support to PTCRs for WiC
- On-going evaluation of WiC program with PTCRs, women apprentice & mentor coaches
- Evaluations provided to CGC for reporting to Federal & P/T Government partners
- Promotion of the program (external)
- Communication with key stakeholders (PTCRs/CGC)
- Oversee the Apprentice Coach Professional Development sessions
- Development of seminar materials.

Provincial/Territorial Governments / Provincial/Territorial Coaching Representatives

- Leadership of WiC program
- Create and manage the selection process of WiC coaches with PTSOs
- Select female apprentice coaches
- Cost-share the transportation, accommodation, and food of the apprentice coaches and mentors to the Professional Development sessions*
- On-going evaluation of the program through PTSOs
- Promotion of the program
- Facilitation of local peer support for female apprentice coaches involved in Games
- Work with PTSOs to ensure apprentice coaches are fulfilling pre-game, games time, and post games requirements of the WiC program.

National Sport Organizations

- Promotion of the program
- Assist in the identification of appropriate mentors within Provinces and Territories, when required
- Setting competition area access for apprentice coaches.

Provincial/Territorial Sport Organizations

- Promotion of the program
- On-going evaluation
- Cost-share the transportation, accommodation, and food of the apprentice and mentor coaches to the Professional Development session, when required.
- Fund expenses related to the apprentice coaches involvement with all training camps, selection camps, and preparation competitions pre games, when required.
- Nominate apprentice and mentor coaches
- Work with Provincial/Territorial Coaching Representative to ensure apprentice coaches are fulfilling pre games, games time, and post games requirements of the WiC program.

Canada Games Host Society

- Promotion of the program
- Provision of accommodation, accreditation, and food for the apprentice coaches (within the currently allocated participant quota for the Games; i.e. no new costs)
- Provision of facilities for professional development seminars prior to and during Games, where necessary.

*The costs for all apprentice coaches to attend the Professional Development Seminar could be equalized so that the location of the seminar will not overly impact costs to all partners. It will be the responsibility of the PTCR group to determine the procedures around any cost sharing initiatives for the WiC.

Appendix A

Technical Package Coaching Quota Example

Statement: Apprentice coaches cannot fulfill the role of a coach, as outlined in the sports Technical Package (i.e. WiC coaches may not be counted as a team's second coach in order to fulfill a female coaching requirement in a Technical Package)

Example 1

The Sport of Diving has a Technical Package quota of 2 coaches. If a Provincial/Territorial team has female divers, they must have a female coach. An apprentice coach of the WiC program does not count as the female coach needed to fulfill this requirement as the apprentice coach is an additional position within the PTs diving team (i.e. 2 coaches plus an apprentice coach). A coach cannot be both an apprentice coach, and the head or assistant coach of a PT team as outlined by the Technical Package. This does not mean the apprentice coach can't fulfill a meaningful role within the team.

If the Diving team requires a female coach, and the only coach available is the apprentice coach, the apprentice coach may apply to the Canada Games Council for a coach certification exemption. If successful, the apprentice coach becomes the diving team's female coach and is no longer part of the apprentice coach program.

Example 2

A women's softball team has a Technical Package quota of 2 coaches and one of the coaches must be female. If a Provincial/Territorial team names only one coach (who is female) the apprentice coach does not count as the team's second coach. The team would have 1 coach and 1 apprentice coach.

If the apprentice coach/Provincial/Territorial team wishes, they may apply for a coach certification exemption from the Canada Games Council and if successful become the team's second coach. The coach would no longer be part of the WiC program.

Additionally, in both examples 1 and 2, an apprentice coach may complete their NCCP Level 3 certification or Competition – Development certification prior to the Canada Games. In such a scenario the coach would still be permitted to be part of the WiC program, but still could not act as both an apprentice coach and a coach as outlined in sports Technical Package.
